Overview	Magic Keyboard is available with Touch ID, providing fast, easy, and secure authentication for logins and purchases.
	Magic Keyboard with Touch ID and Numeric Keypad delivers a remarkably comfortable and precise typing experience. It features an extended layout, with document navigation controls for quick scrolling and full-size arrow keys, which are great for gaming. The numeric keypad is also ideal for spreadsheets and finance applications. It’s wireless and features a rechargeable battery that will power your keyboard for about a month or more between charges. ¹ It pairs automatically with your Mac, so you can get to work right away. And it includes a woven USB-C to Lightning Cable that lets you pair and charge by connecting to a USB-C port on your Mac.
